Applicant thanks the Examiner for the courtesies extended during the telephonic interview held on January 9, 2006, between Examiner Dixon and the Applicant's undersigned representative. During the interview, Applicant's representative brought to the Examiner's attention that claims 16, 19, and 29 were not addressed with particularity in the Final Office action dated October 7, 2005. Applicant's representative requested the Examiner mail a new Office action, resetting the period for response, so that Applicant has a sufficient opportunity to respond.

As it is believed the application is condition for allowance, favorable action and Notice of Allowance are respectfully requested.
